*Promoting arts and culture since 1992*

Spring, 2018

Dear Friend of Theater Arts,

Tonasket Community Theater is proud to present "El Diario de Anna Francisco" with four performances May 17<sup>th</sup>, 18<sup>th</sup>, 19<sup>th</sup> and 20<sup>th</sup>. I wrote this play based on stories told by local Hispanic families. They assisted with the writing so we could strive for an accurate glimpse into the issues they are facing daily. The play will be presented in English and Spanish. It includes actors of all ages and ethnicity, it is family appropriate and most of all, it is very unique. There are tense moments, laughter, music and a true sense of our combined communities. The general plot is modeled on the classic story 'The Diary of Anne Frank', which captured the essence of another time when people were hiding within their own society. This is indeed a ground breaking live theater experience.

I must be honest. The Community Cultural Center depends on generous donations from supporters like you. Sponsorship money raised is judiciously used for building operation and improvements. Consider that you, your family, or your customers attend music concerts, nature lectures, community dinners, dance school, exercise class or our live theater production. Maybe you attended a meeting, a memorial service, a civic banquet, or an arts / crafts bazaar. Maybe you refer to the CCC building and activities when discussing our community with pride. We humbly, sincerely, ask for a generous donation. The CCC cannot continue to exist without your help.

**You get enormous value for your donation dollar at the CCC.** Here is how you can help:
